

Help Us Bring Back the Maine Central Business Car #333

Scan me!

Want to join us in making a difference? The 470 Railroad Club has purchased the former Maine Central Business Car #333! This car, built by the Pullman Company in 1924, was the official business car of President E. Spencer Miller of the Maine Central Railroad.

Our donors have put forward a lot of faith in our ability to get this car back to North Conway. We would like to once again thank everyone for their generosity, who have donated through the Go Fund Me page and private donations to the club. Without them, the 333 would have been possibly left New England.

Would you consider the 333 challenge?

Currently we have close to **\$5000.00** in donations through our Go Fund Me page. Would you consider donating one of the following amounts to help with this cause?

\$333.00.....\$33.30.....\$3.33

Please mail donations to the following

- **470 Railroad Club – PO Box 641 – Portland, ME 04104-0641**
- **<https://gofund.me/ca39cc2ef>**

All donations are tax deductible, the 470 Club is a 501C3 and we can provide receipts, and you can use the GoFundMe printout as proof as well.
